Verify this test at [www.janoshik.com/verify/](http://www.janoshik.com/verify/) with the following ID

7SUS1C327TXX

**Nominal fill amount for this product is 500mg. The independent laboratory measurement of 484.82mg represents the recovered net mass of the lyophilized material at the time of analysis and is within the normal expected range for research-use-only lyophilized compounds. All analytical results displayed above or below are reported exactly as received from the testing laboratory without modification.**
